We offer a Summer Program for Our Young Learners, ages 18 months through three years (children do not need to be potty trained). This special program is a wonderful way to introduce your child to Montessori in preparation for fall enrollment and is a great chance to make friends and bond with our Montessori staff!

The Lakes Area Pre K, K and Elem Summer Program is offered to children ages three (potty trained) through nine years and offers Montessori skill building activities and fun weekly themes! Our own Montessori Directresses and office staff work together with the students throughout the summer.

Lakes Area Montessori is offering an Elementary Enrichment Summer Camp Program.

It will be offered to all students entering first grade through 5th grade in the fall of 2023. This is a four-week camp; it begins June 12th and ends July 7th and is **5 days a week**.

The staff will include LAMC's elementary teachers who are excited to work with students to keep reading and math skills strong. In addition, we will have fun with a special and different summer camp theme each week. Themes include Art with Artist, STEM Activities, Sports and Outdoor Games and Music and Rhythm.

Our Pre K, K and Elem Summer Program and Young Learner program offer 3 or 5 day options. Parents can select half or full day options. Extended care available for children 3 and up.

Lakes Area Montessori summer camp is focused on giving our campers a fun and enjoyable experience. Your child is going to look forward to coming back each day.

Please contact the school office for more information at 248-360-0500.
